CLINICAL LABORATORY MANAGEMENT ASSOCIATION

# WHY CLMA?

---

As an active member of CLMA, you'll have access to world-class professional development, education and valuable networking. Interact with peers from across the industry and build the expertise that will sharpen your competitive edge.

## CONNECT

with laboratory professionals at all levels to enhance your network and share solutions to your toughest challenges.

- Network with CLMA members close to home through CLMA's 30+ chapters.
- Meet in-person with peers at KnowledgeLab, CLMA's annual conference
- Find answers to pressing questions online through discussion forums and a listserv

## LEARN

the ins and outs of laboratory management and stay at the forefront of the profession.

- Enjoy CLMA's exclusive *Body of Knowledge* and innovative industry programming
- Participate in live webinars, and get discounts on educational offerings in CLMA's Online Store
- Receive CLMA Advocacy Alerts with legislative, compliance and regulatory updates
- Attend educational sessions at KnowledgeLab presented by experts in the field

## INSPIRE

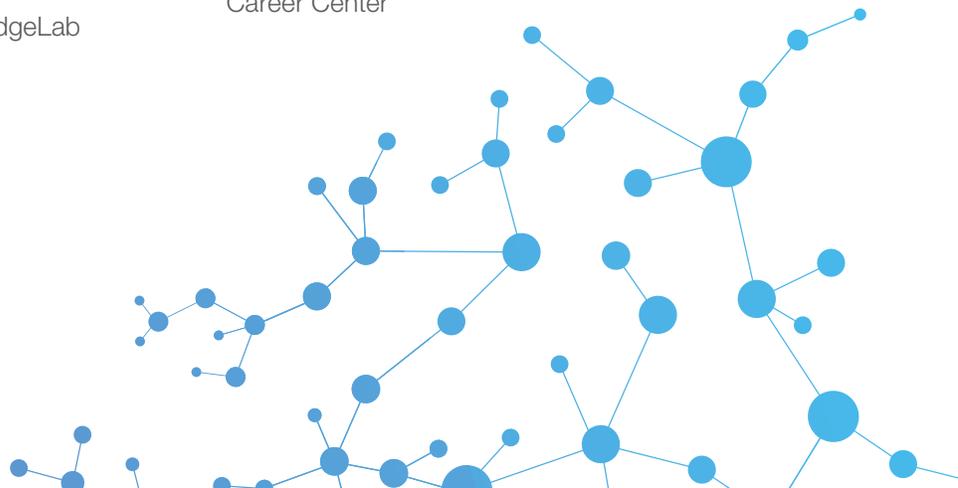

your laboratory and shape the future of our profession in the face of emerging changes.

- Advocate for the value of the laboratory to the C-suite, policymakers and the community with advocacy training
- Share ideas and solutions to help your laboratory team face its toughest challenges

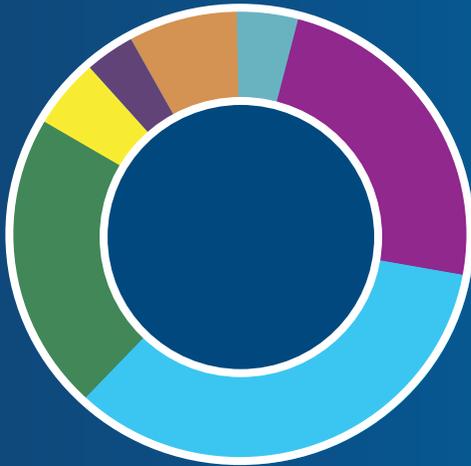

## GROW

your career with job resources and leadership development opportunities for professionals at all levels.

- Build skills in decision-making, critical thinking and change management with the CLMA Laboratory Leadership Academy for aspiring and experienced laboratory leaders
- Get involved and gain leadership experience by volunteering on a CLMA Committee or with your local chapter
- Find your next dream job in the CLMA Career Center

# HOW TO JOIN

---

Ready to become a member of CLMA? Signing up is easy.

1. Visit [www.clma.org/join](http://www.clma.org/join)
2. Select your desired member type
3. Fill out the form and submit your payment
4. Congratulations! You've just joined the premier community for clinical laboratory management professionals

Need more information? Contact [info@clma.org](mailto:info@clma.org) or call us at 312-321-5111.

## JOIN YOUR LOCAL CHAPTER

Expand the benefits of your CLMA membership by joining a chapter. Chapters offer local educational programs and social events, as well as opportunities to get involved as a volunteer. Many members find chapter involvement to be one of the most valuable benefits of membership.

To find your local chapter, visit [www.clma.org/chapters](http://www.clma.org/chapters)

## BODY OF KNOWLEDGE WEBINAR SERIES:

The *Body of Knowledge* webinar series includes six webinars throughout the year that focus on the foundational needs of every laboratory leader. Master critical topics and earn CEU credits with these flexible learning opportunities. CLMA Full Members receive FREE registration to these live webinars.\*

Not familiar with the CLMA *Body of Knowledge*? Learn about this outstanding professional resource and the new *Body of Knowledge* Self-Assessment tool at: [www.clma.org/BOK](http://www.clma.org/BOK)

## GET A TASTE OF CLMA'S MANY BENEFITS WITH ENTRY MEMBERSHIP

Take advantage of a reduced membership fee for the first year when you join CLMA.

CLMA Entry Membership includes:
